Sub:- Economy Orders- Guidelines in respect of Tour /Training- Further Clarification – Issued.

It has come to the notice of Government that while processing cases involving Tour/Training of /governenment officials outside state, where relaxation of economy orders is involved, scant attention is being paid to get the economy orders relaxed in time, before the concerned officer(s) proceed on Tour/Training, even though the application/proposal for relaxation is made in time. In most cases the concerned officers proceed to Tour/Training before issue of orders and such cases are referred to; for ratification later, after violation of the orders.

This will defeat the very purpose for which the economy orders were issued. It is therefore instructed that in future, cases involving relaxation of economy orders should be processed promptly so that necessary orders can be issued before the concerned officers proceed to Tour/Training. Proposals for ratification of such cases will be summarily rejected and the laxity on the part of officers for belated processing of cases will be viewed seriously.
